Professional Summary

As a Junior Front-End Developer, I possess an impressive arsenal of skills in HTML, CSS, JavaScript and React. I excel in designing and maintaining responsive websites that offer a smooth user experience. My expertise lies in crafting dynamic, engaging interfaces through writing clean and optimise code and utilising cutting-edge development tools and techniques. I am also a team player who thrives in collaborating with cross-functional teams to produce outstanding web applications.

Education

Year	Degree/Examination	Institution/Board	CGPA/Percentage
2020	Bachelor of Science	SCK KOKRAJHAR, ASSAM	8.9/10.0
2017	Intermediate (Class XII)	SCK KOKRAJHAR ASSAM	60.0%
2015	Matriculation (Class X)	RBVP high school kokrajhar	74.0%

Experience

VIDY BHARTI EM SCHOOL, SURAT | COMPUTER TEACHER

June 2023 - Present

- **Teaching Excellence:** Proven track record of providing high-quality instruction in programming languages such as Java, C++, and web development. Utilizes a variety of teaching methods to accommodate diverse learning styles and skill levels.
- **Student Engagement:** Creates a positive and interactive classroom atmosphere that encourages active participation and problem-solving. Focuses on hands-on coding exercises and project-based learning to reinforce programming skills.
- **Programming Expertise:** Proficient in a wide range of programming languages and development tools, ensuring comprehensive support for students' coding journeys.
- **Classroom Management:** Effectively manages classrooms, establishing discipline, order, and a safe, inclusive learning environment. Promotes effective communication and collaboration among students.

Internship and Certifications

Newton School | Newton School Coding Bootcamp

October 2022 - Present

- Demonstrated proficiency in MERN stack and DSA through successful completion of specialized training from industry experts.
- Showcased problem-solving abilities and technical expertise through active participation in DSA and Full-Stack contests.
- Utilized technical skills in JavaScript, HTML, CSS, React, Node, and Express to contribute to project outcomes and achieve desired results.

Projects

Zee5 clone | newton school ([link](#))

September 2023 - October 2023

Features:

- Clean, modern, and visually appealing design.
- Smooth and interactive user experience.

Tech Stack: HTML, CSS, and ReactJS

Developer Portfolio landing page | newton school ([link](#))

July 2023 - July 2023

Features:

- Clean, modern, and visually appealing design.
- Smooth and interactive user experience.
- Animations with the help of vanilla JavaScript.
- Detailed project pages with images, videos, and additional information.

Tech Stack: HTML, CSS, SASS and ReactJS

Features:

- Vast collection of movies spanning across different genres.
- Robust search feature and Sorting Options(Release Date & Popularity).
- Create a personalized list of favourite movies and favourites collection is accessible with a button press.

Tech Stack: HTML, CSS and Vanilla JS

Description:

This website is designed to provide a seamless movie browsing experience, offering powerful search and sorting features to help you find every film. The "Add to Favourites" feature allows you to create your own movie sanctuary with films that you can revisit whenever you want.

Skills	
Computer languages	HTML, C++, CSS, Java, Javascript
Software Packages	Bootstrap, React, NodeJS
Additional Courses Taken	Data Structure
Soft Skills	Communication Skills, Teamwork

Co-Curricular Activities	
<ul style="list-style-type: none">• Participated in hackathon and other comparative programming contests• Learning new technologies
